“Living your Life in Alignment”

Introduction to the Chakra System

A workshop dedicated to balancing your internal energy points by using Crystals/Gemstones

Presented By:

Joanne M. Panciera

Clairvoyant, Healer, Certified Hypnotherapist

In this workshop you will learn to **Open**, **Activate**, **Energize** and **Balance** your Chakras using Crystals. Chakra is a Sanskrit word which means **Wheel**. The Chakras are similar to wheels, in that they are spinning vortexes of energy. Each Chakra in the body is recognized as a focal point of **Life-Force** relating to **physical**, **emotional**, **mental**, and **spiritual energies**. To understand the chakras and their relationship to our consciousness is to better **understand ourselves**.

If you have any crystals/gemstones bring them along with you to the workshop
